Trunk Road *Reconstruction Project*

Parks Highway to Palmer-Fishhook Road

Trunk Road Reconstruction Project

Please come!

The Alaska Department of Transportation and Public Facilities (ADOT&PF) has completed the first portion of the design for the new alignment of Trunk Road. Now is a good time to review the design with the public to discuss items of interest, such as property impacts, access, safety and drainage. You are invited to a Open House Public Meeting to see the current design and give the project team your input on these and other issues.

DOT&PF Project No. 52432
